

**Caskets for Cremation Services**

A casket is not required for cremation by California law, but a combustible cremation container is. The container must be one that can be closed and is leak resistant. A cardboard box constructed for this purpose is acceptable.

**Outer Burial Container Price List**

In most areas of the country, no state or local laws make you buy a container to surround the casket in the grave. However, many cemeteries ask that you have such a container so the grave will not sink in. Either a burial vault or a grave liner will satisfy these requirements.

- . 12 Gauge Steel Vault.....\$1,525
- . Redwood Box.....\$600
- . Plastic Vault.....\$850

**Warranties**

*Our funeral home makes no representations or warranties about the protective value of certain caskets or outer burial containers, other than those made by the manufacturer. The only warranties expressed or implied, granted in connection with goods sold with this funeral service are the express written warranties, if any, extended by the seller.*
